In the heart of the Vicentine goldsmith district, the handmade high-end jewelry set from Italy with genuine certified Akoya AA pearls represents the pinnacle of Italian craftsmanship. Genisi Pearls, based in Vicenza, the historic capital of goldsmithing, reinterprets the artisanal tradition through unique creations that celebrate the perfection of Akoya pearls. Each jewelry set embodies centuries of mastery, passion, and pursuit of excellence—characteristic elements that have made "Made in Italy" famous in the world of fine jewelry. The Art of the Akoya Pearl: Tradition and Innovation in Luxury Jewelry The certified Akoya AA pearls used in Genisi Pearls' creations represent the highest standard of quality in the world of cultured pearls. The AA grade certifies exceptional features such as: * Extraordinary luster, with a natural mirror-like finish * Flawless surface, with minimal or no imperfections * Perfectly round shape * Uniform natural color * Above-average nacre thickness The creation of a complete jewelry set demands months of meticulous work. The goldsmiths at Genisi Pearls personally select each pearl and carefully assess its characteristics to ensure harmony and continuity within the ensemble. Production follows traditional methods, enhanced by innovative techniques that maximize the natural beauty of the certified Akoya pearls. Why Choose a Jewelry Set with Certified Akoya Pearls? Investing in a high-end jewelry set with certified Akoya pearls is a deliberate decision, driven by clear reasons. The superior quality of Akoya AA pearls immediately stands out through their natural sheen and their unparalleled ability to capture and reflect light—unlike any other organic gemstone. Each jewelry set follows a precise production process: 1 Selection of certified pearls, conducted by experienced gemologists 2 Customizable design drafts based on the client's wishes 3 Crafting of settings from precious metals, strictly "Made in Italy" 4 Manual assembly of every component of the jewelry set 5 Final quality control and certification of the ensemble Genisi Pearls' creations are designed to mark special moments and accompany daily life with timeless elegance. Complete jewelry sets—including a necklace, matching earrings, and a bracelet—are made from 18-karat gold and feature secure closures, ensuring

ng they endure for generations and become treasured family heirlooms. The Value of Craftsmanship in Genisi Pearls Jewelry Sets What truly distinguishes a high-end jewelry set is the authentic craftsmanship evident in every detail. The goldsmiths at Genisi Pearls are stewards of age-old techniques passed down through generations of Vicentine artisans. This cultural heritage is combined with contemporary innovation, creating jewelry that respects tradition while expressing modern sensibilities. The processing of gold and silver is carried out with millimeter precision, while the setting of diamonds or gemstones that accompany the Akoya pearls adheres to strict standards. The precious metals used undergo purification processes to ensure durability, longevity, and preserved beauty. Every element of the jewelry set is individually crafted before being assembled into the final ensemble. This attention to detail ensures that the necklace, bracelet, and earrings not only complement one another but also create a harmonious whole that enhances the wearer's beauty. Choose Genisi Pearls in Vicenza for Handcrafted High-End Jewelry Sets "Made in Italy" with Genuine Certified Akoya AA Pearls Purchasing a high-end jewelry set is a significant moment that deserves careful attention. Trusting the expertise of Genisi Pearls means choosing uncompromising excellence and the guarantee of an authentic, certified product crafted to the highest quality standards. The beauty of certified Akoya AA pearls, combined with Italian goldsmith artistry, creates pieces destined to become family heirlooms. A visit to the atelier allows you to experience the magic of artisanal creation firsthand and receive personalized advice on the pearls' qualities and customization options. The experienced gemologists and designers at Genisi Pearls are ready to help you select the perfect jewelry set that reflects your personality and style, making every occasion unforgettable. The "Infinito" jewelry set, featuring a necklace (43 cm), bracelet (18 cm), and matching earrings, is crafted from high-quality white Akoya AA pearls—perfectly round with exceptional mirror-like luster, typical of the finest pearls cultivated in the cold coastal waters of Japan. The pearls, imported exclusively from two selected Japanese sources using the "Koshimono" method (two growth cycles), ensure an ideal nacre thickness and long-lasting quality, making them perfect for passing down through generations. Each piece of jewelry is strung on a fine steel wire, with silicone micro-discs between the pearls and a hidden pearl clasp. All Genisi creations are shipped free of charge, complete with packaging and a gemological G.I.A. certificate. To preserve the beauty and longevity of your jewelry, it is recommended that you: * Wear them only after applying makeup, perfume, and cosmetics. * Avoid contact with chemicals, water, and humidity. * Have them restrung every 12–18 months and regularly inspected for signs of wear. Use a maintenance service available on request via WhatsApp or through the website.
